11. From the Joint Honorary Secretary, Indian Red Cross Society, Madras, Provincial Branch dated 12-3-49.

With reference to the Government memorandum tenth cited above, the Board submits that the Joint Honorary Secretary of the Madras Provincial Branch of the Red Cross Society who was consulted has stated that no payment has so far been made towards the cost of the protective foodstuffs taken over from the Joint War Charities Organisation. The Joint Secretary also requests that the cost of the foodstuffs may be arranged to be paid before the end of March 1949, as the Society is in needof urgent funds (vide copies of letters enclosed).

2. The Board in this connection invites the attention of the Government to its letter No.E.4825/46-CS, dated 6.1.1949 to the Accountant-General (copy sent to the Government) from which it will be seen that a sum of Rs.5800.10.6 has so far been realised by the sale of the foodstuffs at reduced prices. In accordance with the instructions issued in Government memo. No.53284.G.47.2. Food dated 27.10.1947, some items of the foodstuffs were sent to Malabar for sale in the worst affected areas in that district, at the reduced prices. The Collector of Malabar in his reference dated 15.2.49 informed the Board that in spite of earnest attempts the progress of the sales of the foodstuffs so far made has be not been satisfactory. He therefore suggested that those might be distributed to the public free of cost through Charitable Institutions before they become unfit for human consumption. He has been asked to report urgently the total sale-proceeds so far realised by him and his report is awaited.

3. As the Joint Secretary of the Red Cross Society requests urgent payment of the cost of foodstuffs the Board recommends that a sum of Rs.5000.0.0 out of the sum of Rs.5800.10.6 so far realised may be paid to the society, pending final settlement of the account. The Board will submit a further report about the net loss involved in the transaction after hearing from the Collector of Malabar.
